LILIUM CANDIDUM (The Madonna Lily)— 20-22 c. m. .....	1.75	12.00
LILIUM REGALE (The Royal Lily)— First size bulbs .....	1.25	8.50

## Good &amp; Reese Giant Hybrid Amaryllis

These reselected hybrids are gigantic in size and exquisite in colorings. The colors range from white with thin markings of carmine, various shades of pink, to deep scarlet. Some are pure in color, others have beautiful markings and mottled throats. \$4.00 per 12, \$30.00 per 100.

## Good's White Giant Amaryllis

Only once in a decade is a really worthwhile new plant produced. In Good's White Giant, we believe we have a sensational new introduction that will become as popular as Liliun Giganteum when its merits become known. The flowers are enormous in size, often ten inches in diameter. In color, pure white without markings of any kind on the flowers. Frequently as many as six flowers are carried on a single stem. It is the most striking flower that can be grown. The stock is limited this year, \$1.00 each, \$7.50 per 12, \$50.00 per 100.

# Hardy Perennial Plants

We are giving special attention to our Hardy Plant Department. Our stock is exceptionally large this year, one million plants being grown especially for the shipping trade. The majority of the perennials here offered are field-grown clumps.
